CMM is a women-led non-profit organization dedicated to the upliftment and empowerment of women in the Kadapa district.

Mission: Our mission is to foster positive social change by empowering women with education, skills, and opportunities, enabling them to become self-reliant and active participants in their communities.

Vision: We envision a society where women have equal access to resources, opportunities, and decision-making, leading to gender equality and sustainable development.

Previous Programmes: Over the years, CMM has successfully implemented various impactful programmes focused on women's empowerment in the Kadapa district. These initiatives include:

Skill Training Workshops: We have conducted skill development workshops to equip women with valuable vocational skills, such as tailoring, handicrafts, and computer literacy, enabling them to generate income and enhance their economic independence.

Women Entrepreneurship Support: CMM has provided support and guidance to aspiring women entrepreneurs, helping them establish and sustain their businesses. We believe in fostering a culture of entrepreneurship among women to drive economic growth and self-sufficiency.

Women's Health and Hygiene Awareness: Our organization has been actively promoting health and hygiene awareness among women in the community, conducting workshops on women's health issues and menstrual hygiene management, empowering them to lead healthier lives.

Gender Sensitization: We have organized gender sensitization programs to raise awareness about gender-based discrimination and violence, advocating for a more equitable and just society for women.

CMM is committed to continuing our efforts to uplift women in the Kadapa district and create a more inclusive and empowering environment for all. Through our initiatives, we strive to bring about lasting positive change and contribute to the overall development of the community.
